

Sample Environmental Discovery Course Programme - based on four groups

Corfe Castle Explorer Walk over the Purbeck Hills to Corfe Castle. Learn about its history before taking a trip on the Swanage railway and finish with ice creams on Swanage beach.					
Old Harry Rocks A beautiful clifftop walk over Ballard Down to see the famous Old Harry Rocks, then on to Studland beach for beach games.					
Seashore Comparison Day Compare the plant and animal life of the sandy beach at Studland with that of the rocky shore at Kimmeridge Bay. Bring your wellies and a change of clothes!					
Arne Nature Reserve Learn about the wonderful wildlife of the Arne Nature Reserve. A fantastic day for spotting rare birds and hopefully some deer!					
Packing up and Departure Time to pack and clear your rooms. Rooms to be empty and tidy by 10am please.					All
Sand and Shopping A quick trip to Swanage for some final games on the beach and some retail therapy.					All
